## INGREDIENTS:

Crofter's Organic Morello  
Cherry Premium Fruit Spread

Water

## DIRECTIONS:

1. Simply add about 1/2 Tbsp Fruit Spread to the bottom of your ice cube tray. (We chose our Morello Cherry Premium Fruit Spread but any flavor will work.)
2. Fill each well in the ice cube tray with water. Give the fruit spread a little mix.
3. Freeze overnight or until solid. Add to sparkling water or a cocktail when ready to use. Enjoy!
